Dear Sir / Madam,

Sub: Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time (“SEBI LODR Regulations”).

We refer to our previous disclosure submitted to the exchanges on October 01, 2025. Due to an inadvertent error in the earlier version, please consider this revised disclosure as the accurate and correct version for your records.

Pursuant to Regulation 30 of SEBI LODR Regulations, we ‘Authum Investment & Infrastructure limited’ (“**AIIL**”) wish to inform you that we applied for subscription to security receipts of face value INR 1,000 each (“**SRs**”) that was proposed to be issued by Omkara PS 05/2025-26 Trust (“**Trust**”), a trust acting through its trustee Omkara Asset Reconstruction Private Limited (“**OARPL**”). OARPL is also acting as the investment manager / asset management company for the Trust.

This is to further inform you that the said trust has acquired the debt of M/s Wind World India Limited (“**WWIL**”) from National Asset Reconstruction Company Limited (“**NARCL**”).

At present, WWIL is primarily engaged in providing operation and maintenance services for its installed base of approximately 4,500 MW of windmills. In addition, WWIL, together with its subsidiary companies, owns and operates wind power assets aggregating to 550 MW, dedicated to power generation and sale.

The aggregate offer size of the SRs issuance undertaken by the Trust amounts to INR 1225 crores (“**Issue Size**”). AIIL contributed an amount equivalent to INR 1102.5 crores to the Trust, against which 1,10,25,000 SRs equivalent to 90% of the total issuance has been allotted to us on October 01, 2025.

This disclosure is being made in the interest of transparency.

Kindly take the same on record.

Thanking you,
For and on behalf of **Authum Investment & Infrastructure Limited**
